The Grovehill Future Neighbourhood Plan Draft

Consultation 28th September – 4th November 2016

On behalf of the Grovehill Future Forum, I have pleasure in presenting you with a copy of the Draft Grovehill Future Neighbourhood Plan. This is being issued to households, businesses and community user groups in Grovehill. The consultation will run from 28th September until 4th November, with extra copies available at the community centre.

The purpose of making the Neighbourhood Plan is to set down planning policies and some clear principles for any future development in our neighbourhood.

Please take some time to read the Neighbourhood Plan and let us have your views, you can do this in a number of ways (see overleaf). Please note that the appendices referred to in the Neighbourhood Plan can be found on the consultation page of our website.

Following your responses, the final Neighbourhood Plan will be formally submitted to Dacorum Borough Council for external examination, followed by a local referendum, where a majority **YES** vote will lead to this important document for Grovehill being adopted by them as part of their Local Development Plan.

We welcome your comments.

Signed, Mike Devlin,
