0331 Update on Draft Neighbourhood Plan

Jo brought along a copy of the plan as it is so far. The changes were explained and discussed. In essence, there were no changes to the intended content of the document. The complete package should hopefully be ready for the June meeting.

0333 Community Engagement

Jo suggested that we could have another bus-stop campaign as we did for the initial public consultation. We could discuss other steps at the next meeting.

0334 Finance Update

There have been no financial transactions since the last meeting.

0335 Matters Arising and next agenda items

Jay Doshi has expressed concern about continuing pharmacy provision in Grovehill in the light of new Government moves to change the payments made to local pharmacies and has requested that the Forum could write to our local MP outlining this concern. This matter was discussed and it was agreed that Mike would write emphasising the policy which is expressed in our Plan, concerning the importance of continuing pharmacy provision within Grovehill.
